

SUMMER READING 2026
UNEARTH A STORY
With Storyteller, Jen Strauss

For Young Patrons & Families:
Growing Green with Jenny Jean

Master Gardener, Jenny Jean brings her gardener's tools, and puppet friends, Herman the Worm and Lady Bug Lu to tell stories and sing songs about growing things that are healthy and green!

Learn about garden helpers, Sing to the sun, make it rain and learn the Growing Green Garden Dance in this well-rounded program that blends storytelling, singing, movement and play.

At the conclusion of the program, everyone will plant their own bean, and Jenny will leave patrons with a special coloring sheet including tips for Living Green.
